

Big Live Classes na GOAH

Ve středu 20. 1. 2021 se naše tercie zapojila díky spolupráci nakladatelství Pearson and BBC Live Classes do mezinárodní online hodiny angličtiny na téma Sports in the Lake District. V šedesáti minutách lektorka Elizabeth Beer, která pochází z Británie, ale nyní žije v Madridu, seznámila naše studenty společně s dalšími účastníky ze Srí Lanky, Chorvatska, Slovenska, Ruska, Turecka a Itálie s různými tradičními i méně tradičními sporty z Velké Británie a na oplátku se nejen ona dozvěděla o populárních sportech v krajinách svých online studentů z různých koutů světa. Studenti komunikovali přes platformu ZOOM, na závěr hodiny vytvořili společný Padlet, kde měl každý student možnost přestavit ostatním svůj oblíbený sport.

Ve čtvrtek 28. 1. 2021 si tuto speciální hodinu AJ měli možnost vyzkoušet i studenti kvinty. Jejich lektorem byl Michael Brand, Brit momentálně žijící ve Španělsku a tématem byli Mladí podnikatelé / Young entrepreneurs. Naši studenti prokázali, že se dokáží aktivně zapojit do mezinárodní hodiny na úrovni B2 a to spolu se svými vrstevníky z Itálie, Polska, Turecka, Slovenska a Lotyšska. Naučili se nová slovíčka a fráze, procvičili si je pomocí aplikací Wordwall a Padlet, nezalekli se komunikační platformy ZOOM. Kvintáni se navíc této 60minutové lekce účastnili až odpoledne po svém online vyučování a po virtuálním předání pololetního vysvědčení čili v podstatě v době svých pololetních prázdnin. Klobouk dolů! ☺

I started playing basketball when I was seven years old, and I really enjoy it. It's so much fun trying to throw the ball into the hoop. It's like playing tag. I don't know why, but the texture of the ball is satisfying for me. I don't have a favorite team. For playing basketball, you need a basketball ball, light clothes and good shoes

Veronika - judo and ballet
You might say these two can't be together but this is the best combination. Why? Ballet is pretty special type of dance and I can say the most beautiful. It's the hardest of all. What you need is ballet shoes, a some space, music and your imagination. That's quite same like in judo. All you need is tatami, kimono and uke. That all. Both of them are really dynamic, smart working sports. You don't need strength or lots of skills, you need a lot of patience, be tolerant, focus. The harmony between these is the best thing in my life. Be soft and soft together. That why
